

Call for Nominations for the PCTM Board of Directors

The Nominations and Elections Committee is soliciting nominations for the PCTM Board of Directors. The term of office runs for two years, from July 1, 2020 to June 30, 2022. The election will take place in early March 2020. The slate of candidates will be approved by the Board in late February 2020. Also, please submit a brief bio and a head-shot photo, of the candidate, with the nomination to Marian Avery at mavery077@gmail.com. Nominations are due by **February 21, 2020**. All nominees must be members of PCTM or become members at the time of their nomination.

There is one opening for each of the following positions on the PCTM Board of Directors:

Delegate at Large

Eastern Regional Representative (includes IU's 13, 14, 18, 19-26 & 29)

Central Regional Representative (includes IU's 08-12, 15, 16 & 17)

Western Regional Representative (includes IU's 01-07, 27 & 28)

Position Qualifications: (PCTM Constitution, Article IV, Section 3-Qualifications)

A nominee for the **Delegate at Large** position must be a mathematics-based educator employed in the state of Pennsylvania, including the classroom at any level, Math Coaches/Supervisors, or Intermediate Unit. The Delegate-at-Large represents areas anywhere throughout the state.

A nominee for a **Regional Representative** position must be a full-time PreK-12 classroom teacher, employed by a school, having students in their classroom all day, and with a day to day interaction with students.

Those elected to these positions will be invited to attend the May 2, 2020 Board meeting. Expectations of the office include attendance at the four Board meetings held each fiscal year (one of which is held at the annual conference) and helping with the PCTM Annual Conference. This position offers the opportunity to be involved more deeply with the workings of PCTM and the Annual Conference, and a voice to share ideas, suggestions, and thoughts at Board meetings. People serving in these positions are encouraged to solicit the thoughts of their colleagues regarding mathematics education/teaching in Pennsylvania and share them with the Board as to how PCTM may better serve the teachers of Pennsylvania.

Please contact me with any questions at mavery077@gmail.com.

We look forward to your enthusiastic participation in this year's election.

Sincerely,
Marian E. Avery, Chair
